Our Purpose

In the Spring of 2011, Pastors John and Isha Edmondson established the Victorious Business Professionals Ministry, also known as VBP. This ministry was birthed out of a desire to see God's business leaders become successful in their professions and in their business endeavors, so they could ultimately impact and expand the Kingdom of God.

VBP was founded upon the scripture noted in Ecclesiastes 5:19, "*As for every man to whom God has given riches and wealth, and given him*

power to eat of it, to receive his heritage and rejoice in his labor—this is the gift of God."

Impacting the World One Business at a Time.

In accordance with our foundational scripture, VBP has established a Mission Statement along with a set of Ministry Goals.

Our Mission

"VBP is called to empower entrepreneurs and business professionals to use their gifts and callings to expand their businesses for the Kingdom of God, by partnering with the local church and networking with other business professionals to be equipped as the leaders God has called them to be."

- Ministry Goals -

Partnering— provide an avenue whereby business leaders can partner with their local church for the purpose of expanding the Kingdom of God.

Equipping— equip business leaders with the resources and information needed to be successful in their profession.

Networking— to facilitate networking opportunities whereby business leaders can connect with other business professionals and potential clients to assist in promoting their business.

Empowering— empowering business leaders to utilize their gifting and calling in the professional world to impact the Kingdom of God.

Getting Connected

Our future begins and grows brighter as we take the necessary steps to become the business leaders we are destined to be. Getting involved is a good first step and there are few ways you can do that here:

Quarterly Events -

Currently, the Victorious Business Professional's ministry facilitates quarterly networking breakfasts and business workshops. These events are focused on bringing business leaders together for the purpose of networking, partnering, equipping, and empowering. All are welcome to attend! The events are usually offered free of charge or at a minimal cost. .

The VBP Team & V70 -

Our Ministry also holds regular meetings to brainstorm and plan these awesome events. So if there is a gifting, or even, some ideas that you would like to share please come join us.

You can contact us at VictoriousBusinessProfessionals@live.com to find out how to be a part of this growing ministry and/or be placed on our email distribution list to receive regular updates of our upcoming events, progress and more!
